

Helping businesses to achieve
growth through their people

14th September 2021

Who We Are

People
Puzzles

People Puzzles' team of board-level HR Directors provide flexible, affordable HR expertise that will help your business to grow faster and be for profitable.

- We provide higher experienced part-time HR Directors affordably, on a part-time basis. Commercial HR that drives results.
- Our team of over 50 portfolio HR Directors have come from big business and have years of SME experience, they are some of the UK's top HR experts.
- We have a flexible, no-ties business model meaning our clients can scale up or down as needed and won't be tied into a contract.
- We provide support and guidance every step of the way. A critical friend and an independent ally.

What We Do

People
Puzzles

People Puzzles' deliver results driven HR across many key areas of the business.

HR strategy and people planning for growth	Risk reduction, legislation, and compliance	Mental health and wellbeing

Leadership and management development & Exec. coaching	Solving the daily people problems	HR systems and tech
Talent Management - attraction, recruitment, development, and retention	Cost reduction	Mergers, acquisitions & exit

How We Do

People
Puzzles

A carefully selected HR Director with specific knowledge and expertise you need will take the time to understand your business challenges and aspirations whilst solving the urgent issues

Businesses with engaged employees are **21%** more profitable, **17%** more productive with **41%** lower absenteeism

(Gallup UK Workforce Survey)

Today's Webinar

People
Puzzles

Helping businesses achieve growth through their people by:

- Developing a people strategy that supports your growth plans
- Creating a focused and strong leadership team to deliver business growth plans
- Attract, train, and retain the best talent to achieve your growth target
- Coaching managers to drive team performance, and improve productivity
